

MAKEUP ARTIST & HAIRSTYLIST POSITION MOA LLC

We are looking for a Makeup Artist and Hair Stylist who can work with all different skin tones and colors and style all different types of hair into both up and down hairstyles for special events including but not limited to weddings, photoshoots, proms, occasions, and more. The applicant must be a licensed cosmetologist, esthetician, be dedicated to a lifetime of learning, and be able to work weekends. Must have a hospitality-driven mindset.

Outcomes

- Create makeup looks that are long-lasting, detail-focused, and on-brand with what MOA creates. Be able to create looks in 30-40 minutes.
- Create hairstyles that are long-lasting, durable, and on-brand with what MOA creates. Be able to create styles in 30-40 minutes.
- Be communicative with all clients on what they are looking for exactly.
- Attend monthly training to further evolve skill level.
- Keep your kit fully stocked with supplies provided that will include all necessary products and tools to complete the job necessary.
- Maintain clean working practices at all times.

Competencies

- Friendly and outgoing personality. You must be hospitality-driven. We are here to serve clients and make sure that they feel welcome and taken care of in your chair.
- Excel in time management. You must be able to manage your time effectively and efficiently to get clients in and out of your chair on time. Wedding days are hectic and we will not run behind.
- Attention to detail. Can not let small details run through the cracks. The effect of a small step left out can change the outcome of a makeup application greatly.
- Proactivity. Acts without being told what to do. Sees what could be better and brings new ideas to the company.
- Enthusiasm. Exhibits passion and excitement over work and has a can-do attitude.
- High Standards. Expects personal performance and team performance to be nothing short of the best.
- Listening Skills. Lets others speak and seek to understand their viewpoint. Especially when dealing with difficult clients.
- Dedication. Promise to being a forever student; must be able to commit to at least 4 hours of training time per month.
- Communication. Speaks and writes clearly and accurately. Speaks with positivity and enthusiasm.
- Teamwork. Feels comfortable to reach out to peers for help, or help them when needed. We have a very small (and growing) but mighty team so you must be able to bring positive energy to our working environment.
